SBA-CERTIFIED SERVICE-DISABLED VETERAN-OWNED SMALL BUSINESS · EVALUATION ONLY

The deadline. 45 CFR Part 84 requires WCAG 2.1 AA by **May 11, 2027** with 15 or more employees, **May 10, 2028** with fewer. Pass-through HHS money counts: a subrecipient is a recipient.

A veteran-owned consultancy that tells an HHS-funded nonprofit how many client-facing documents it has, which ones the rule reaches, and what to do with each. Delivered by the principal, a U.S. Navy veteran who founded and led three enterprise AI, data and analytics practices.

Who we serve: HHS-funded aging, early learning, Head Start and behavioral health. **Covered?** Any 93.xxx line in your single audit.

CORE COMPETENCIES

- **Client-Facing Document Inventory**. Applications, intake forms, program guides and newsletters, each checked against PDF/UA-1, delivered as a count and a biddable specification.
- **Accessibility Conformance Report**. All 50 WCAG 2.1 A and AA criteria, marked and evidenced, in VPAT 2.5 format.
- **Annual Re-Inventory**. A re-crawl reported as a delta against the prior baseline.
- **Program Support**. Accessibility statement, grievance path, and language requiring an ACR before purchase.

DIFFERENTIATORS

- **The old-document exception is narrow**: any application or intake form still in use stays in scope.
- **Evaluation only, never the remediation**: no self-assessment.
- **Tagged is not conforming**: veraPDF checks every PDF.
- **Triage before spend**: retiring obsolete and duplicate documents first is the cheapest money in the program.
- **No product to sell**: no overlay, no platform license, no per-page quota.

PAST PERFORMANCE

- **brianbeals.com**: 39 pages, 4 PDF/UA-1 documents, all 50 criteria.
- **ACR, Oct. 22, 2026**: no Partially Supports or Does Not Support.
- **Health center sample**: one Florida community health center, 4 of 5 PDFs untagged, including the sliding-fee application.
- **County sample**: 6 of 10 PDFs checked were unreadable scans.
